hello..

Im just wondering if you have a larger container for the acne solution.. I have had some for 11 years now.. and I have not once seen anything work like your product... I have not been able to see skin color for all this time.. and talk about soothing.. oh my gosh, ... but the tube is so small I used it up.. I have it from my temples to my jaw line. It used to be all over my face.. but for the past 2 years my forehead hasnt given me that much trouble.. anyways I wrote a guide about this product and I hope to hear from you soon!

Thanks again,
tammy
