

Dear Mr. [unclear],

[unclear]

I have received the package and I would like to thank you for the excellent service your team has provided me.

I have been using your product for over a year and the results are AMAZING. None of the products I have used in the past (including prescription medicines) have helped me with the cold sores I have been suffering from. Applying the Joshua Solution for Cold Sores immediately helps me on two fronts:

(i) It eliminates and prevents any symptoms of cold sores from breaking out

and -

(ii) The frequency of the cold sores breaking out has fallen dramatically

I now know I cannot afford not to have at least one bottle of your Cold Sore Solution in my medicine cabinet.

Thank you so much for all your help.

Sincerely,

Z. Ronen
